

Fishing for Freedom

Our day is simple, and our sponsorship structure is minimal to allow everyone to show their thanks. For a small **sponsorship of \$50.00** you can cover the entire expenses of a single Wounded Warrior, a child, wife, or mother for the day. We are providing breakfast, lunch, free fishing poles, tackle boxes (filled with tackle), and bait for the day. Our event will be filled of joy and care for those who may be in need. We have volunteer guides to assist us. We simply want to say thank you and that God can aid them as they continue in life, and allow them to have a day at the lake with family and friends.

We are actively seeking sponsors to cover these expenses. All funds will go directly to support the expenses of the day. A business can sponsor more if they wish. But the structure remains the same. You can request to support 2, 3, 5, 10 etc. The limit or impact you wish to have in entirely up to you. At the conclusion of our fishing day we will be selecting 8 of these warriors along with a male guest of their choice to attend a day deer hunt with all expenses covered by your support and efforts.

Thank you for your consideration in this most worthy of causes.
