What is FCA Outdoors?

FCA Outdoors is the Sports Specific Ministry of the Fellowship of Christian Athletes. As a tool to broaden the overall impact of FCA, the ministry seeks to empower those who have a passion for the outdoors by equipping them to reach others with the Salvation message of Christ. While using the platform of Outdoor events, volunteers will serve, compete and participate as good stewards of God's creation. From shooting sports, archery, and fishing to hunting and other adventure activities, FCA Outdoor seeks to introduce, retain and multiply the participants who are currently involved in these activities. Believing the family can benefit from quality time being spent together, Outdoors Teams all over the country will host events connecting campuses and coaches, engage the community and serve as an extension of the FCA Ministry. If you consider yourself a sportsman or a one who is passionate about the outdoors please consider joining our efforts nationally and in your local area by participating in the 2011 Sporting Clays Shoot and Night of Champions Dinner.
