

What is FCA Outdoors?

- FCA Outdoors is a rapidly growing ministry initiative of Fellowship of Christian Athletes.
- Our Vision, Values and Mission are the same as the rest of FCA (see <https://www.fca.org/>).
- Our strategy is “to and through the coach”.
- FCA Outdoors happens within four strategic environments:
 - Coaches
 - Campus
 - Camps
 - Community
- FCAO has been greatly blessed of God with opportunity to share the Gospel with Archery teams, Shotgun teams, and Fishing teams.
- Our huddles may or may not meet at the traditional times before class on campus.
- FCAO offers camps such as Outdoor Adventure, Shooting Sports, and Fishing camps.
- FCAO is involved in activities such as hosting outreach banquets, events at tournaments and sportsmen shows. We love to involve students in mission and outreach events.
- Our goal is to introduce students and families to the Creator in the context of His creation.
