3. Archery is the largest participation sport in the US. Over 18 Million students have participated in NASP (National Archery in the School Program) and it is growing by approximately 1000 schools each year.
4. Bass Fishing is one of the fastest growing team sports in the United States.
5. Target Shooting for recreation and competition continues to grow at a rapid rate.
6. Introducing people to the Creator God while they are enjoying Creation is both Biblical and very effective.
7. FCAO provides an abundance of opportunities for students and leaders to share their faith in Jesus Christ.
8. Many students who do not participate in or have physical giftedness for other sports are a great fit for shooting sports or other outdoor activities.
9. The FCAO ministry is growing across the nation and we are seeing incredible fruitfulness for God's Glory!
